Evaluation

Details of how we evaluate

Q.
Suppose there's a
person wanting
to know whether
he can use
wifi in Nikko?

#Layer 1

Welcome Intent

✓ Four Categories

Q.
Suppose there's a
person wanting
to know whether
he can use
wifi in Nikko?

#Layer 2

Categorical Intent

✓ Back to previous layer

Q.
Suppose there's a
person wanting
to know whether
he can use
wifi in Nikko?

#Layer 3

End Session

- ✓ Problems being solved
- ✓ Problems not solved
- ✓ Having other problems

Q.
Suppose there's a
person wanting
to know whether
he can use
wifi in Nikko?

Measurement_1

- ✓ Compute the proportion of solved questions
- ✓ Underestimation

Q.
Suppose there's a
person wanting
to know whether
he can use
wifi in Nikko?

Measurement_2

✓ Satisfactory Survey

Q.
Suppose there's a
person wanting
to know whether
he can use
wifi in Nikko?

End
